PR Mortgage & Investments Honored as a Top 100 Best Places to Work in Indiana Company

PR Mortgage & Investments, along with our parent company ***Merchants Bank of Indiana***, is proud to announce our selection as one of the *Best Places To Work in Indiana for 2017!* This is our second consecutive year to be named to the list. The Top 100 Best Places to Work in Indiana is an annual program hosted by the Indiana Chamber of Commerce, in an effort to recognize outstanding companies that foster and promote a positive employee culture which is evident through the company's appreciation and value shown toward each employee.

The top companies in the state were determined through employer reports and comprehensive, anonymous employee surveys. We are honored to be included once again in this year's recognition and look forward to an awards celebration later this Spring.
